1. And when I see the sign that points one way
 2. From deep in - side the tears that I forced to cry
 3. Your name and mine in - side a heart up - on a wall

the lot we used to pass by ev - ry day
 from deep in - side the pain that I chose to hide
 still finds a way to haunt me though they're so small

Just Walk A - Way Re-née, you won't see me fol-low you back home

1. The emp-ty side walks on my block are not the same, you're not to blame
 2. & 3. Now as the rain bears down up - on my wear-y heart, for me it cries

1. Fine 2.

Just walk a - way -

Re-née you won't see me fol-low you back home. Now as the rain beats down up - on -

my wear-y heart for me it cries.
